REPUBLICAN-LED HOUSE OF REPRESENTATIVES SHUTS DOWN FEDERAL GOVERNMENT

(Ms. BROWN of Florida asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BROWN of Florida. Mr. Speaker, this is a real sad day in the House of Representatives.

You know, you can fool some of the people some of the time, but you can't fool all of the people all of the time. What happened tonight is the Republican-controlled extremists—bullies or hostage-takers—took the American Government and our economy hostage to their demands. This is a shameful day. This Congress makes the Gingrich Congress look like moderates.

The Republican Party has shut down the United States Government because they don't want the American people to have affordable health care. Shame on the Republican Party. Shame on you.

Mr. Speaker, you can fool some of the people some of the time, but not all of the people all of the time. The American people know that there is a small minority who are controlling the Republican Party in the House, and they are acting like bullies . . . or rather hostage takers. Taking the American government and our economy hostage to demands that will not be met.

Shame, shame, shame on the Republicans. Here we go again: I have been in office for over 20 years and this is the worst, the most extreme Congress I have ever worked with. Today's Republican Party make the Gingrich era members in the mid 1990's look like moderates.

The Republican Party has shut down the government because they don't like the idea of providing health insurance to ALL Americans. And remember: The Affordable Care Act passed both chambers of the United States Congress, was signed into law by the President of the United States, was upheld by the United States Supreme Court, and received a stamp of approval by the American public when they voted to re-elect President Obama. It is now time for House Republicans to accept the ACA and assist their constituents to receive the many health care benefits that Obamacare offers.

On this day, the President helped move the country forward with open enrollment for the Affordable Care Act, and the GOP moved the country backwards by shutting down the government.

I urge my colleagues on the other side of the aisle to try and act like grown-ups so we can all work together to pass a Continuing Resolution to keep our government open to provide the services that our citizens pay for and deserve.

NO SPECIAL TREATMENT

(Mr. HARRIS asked and was given permission to address the House for 1 minute.)

Mr. HARRIS. Mr. Speaker, tonight, all we did is we asked the Senate to negotiate with the House.

Mr. Speaker, interestingly enough, the Majority Leader in the Senate
